# Event Definition

## Shot Details

---

The process of making each shot.

## Shots On Target

---

Any shot attempt that; 1) Scores a goal. 2) Would have been a goal had it not been saved by the goalkeeper.

## Shots

---

Any goal attempt including shots on target, shots off target, saved by the goalkeeper, blocked by a defender, and a goal.

## Blocked Shots

---

A shot blocked by opponent other than the goalkeeper.

## Shooting Accuracy

---

Shots on target divided by all shots.

## Key Passes

---

Any final pass or cross leads to shots (excluding goals). If that final pass or cross leads to a goal, it is not a key pass but an assist.

## Crosses

---

When a player successfully delivers the ball, usually from a wide position, into a dangerous area (the penalty area) in order to provide a goal-scoring opportunity for a teammate. A cross is considered as successful when the receiving player touches the ball.

## Take-Ons

---

When a player attempts to take the ball past an opposing player by dribbling whilst maintaining control of the ball. Consider it a success is able to keep the ball after getting past the player.

## Interventions

---

A defender successfully prevents an opponent's attack without gaining possession.

## Control Under Pressure

---

When a player is able to regain possession of the ball whilst surrounded by opposing players.

## Clearances

---

This is when the ball is cleared to safety by either a kick or header and eliminating any threat towards the team's own goal.

## Tackles

---

When your player tried to stop an opposition player from either progressing further with the ball or from maintaining possession. This counts as both standing or sliding tackles. Consider a success when your player is able to stop the progress of the opposition player.

## Aerial Duels

---

Two players challenge in the air to win the ball. Consider success if a player touches the ball regardless of ball possession afterward. It is not regarded as an aerial duel if only one player makes an attempt to head the ball.

## Ground Duels

---

Two players challenge on the ground to win the neutral ball. Consider success if a player touches the ball regardless of ball possession afterwards.

## Interceptions

---

When the opposing team tries to play the ball between their team but is intervened by one of your players and your team regains possession.

## Recoveries

---

A player wins back the ball possession when it has gone to a neutral area or the ball has been moved directly to him/her. This event excludes the active attempts to get the ball possession, which is regarded as an interception.

## Set Pieces

---

When the ball re-enters play from a dead ball situation or after a stoppage. This can come in the form of free-kicks, corners, goal kicks, and throw-ins.

## Passes

---

When a player attempts to play the ball to his teammate. Consider a success if the teammate successful receives the ball.

## Pass Accuracy

---

Successful passes divided by total attempts

## Short Passes

---

Short: A pass shorter than 15m.

## Medium Range Passes

---

Middle: A pass longer than 15m, and shorter than 30m.

## Long Passes

---

Long: A pass longer than 30m.

## Passes Sideways

---

Sideways: A pass within 120 degrees towards both sides.

## Passes Forward

---

Forward: A pass headed within 60 degrees forwards.

## Passes Backward

---

Backwards: A pass toward within 60 degrees backwards.

## Passes In Defensive Third

---

Defensive: A pass started in the defensive third which is your goalkeeper's side of the pitch when divided into three equal parts.
